

ERGOBUDDY® Therapy Platforms®

US Patent D441, 093

PERFORMANCE ADVANTAGES

- ✓ Design achieves optimum performance, comfort, and ergonomic protection
- ✓ Therapy Platforms® innovative rigid “backing” prevents bunching, curling, shifting and shaking – no more tape, glue, screws, or trip hazards
- ✓ Three mats combined in one with sealed, closed cell foam for maximum comfort and long lifespan
- ✓ Therapeutic relief of muscle and joint aches, fatigue and discomfort
- ✓ High-tech sure-footed traction, flame retardant, housekeeping friendly
- ✓ Increases productivity, quality, morale, health and safety
- ✓ Available with optional electrostatic dissipative properties (ESD) 1x10 ohms
- ✓ Ideal for static and low motion jobs
- ✓ Robust construction with a sealed foam core for maximum performance and longevity
- ✓ Available in sizes: (2x2, 2x3, 2x4, 2x5, 2x6, 2x7, 2x8, 2x9, 2x10, 2.5x10, 2x12, 2.5x12, 2x20, 3x3, 3x4, 3x5, 3x6, 3x7, 3x8, 3x10, 3x12, 3x20, 4x4, 4x5, 4x6, 4x8, 4x10, 5x5, 5x6, 5x7, 5x8, 5x10, 6x6, 6x10) or to your specifications
- ✓ 5-year warranty
